. Heard the learned APP. None present for the applicant. It has been revealed that the prosecution has also already expressed opinion that it is not a fit case for challenging the order passed by the trial Court. That apart, it appears that petitioner is also not interested in pursuing the matter. Besides, the application for condonation of delay in Revision Application,

being Criminal Application No. 118 of 2002 has also been dismissed. In view thereof, the present Criminal Revision Application stands rejected.
